To Whom It May Concern

Reference for Shaun Janse Van Rensburg

We had the pleasure of employing Shaun over our very busy Festive period where we left him at a very prominent food distributor where he supervised night shift casuals who were trying to implement standards to increase efficiencies.

Shaun was up to the task and his efforts could be measured within 2 weeks on site. He arrived at work on time and could be trusted to complete any tasks that were set out.

I would recommend Shaun to any future person or Company as he was keen to learn and will add value to any position, he finds himself in. Should any further information be required, kindly contact me?

Yours Faithfully
